## Certificate of International Care of Preservation (Accords of Berlin of 1937)

I undersigned **Régis NARABUTIN**, Embalmer awarded a diploma by State and holder of a prefectorial capacitation n° 05 22 2095, guarantee to have proceeded this day, .....,  
..... (st,th) 200..... in the International Care of Preservation on  
sir's / Mis's body:

**Mr / Miss**.....

This intervention required the display of 6 arteries (2 carotids, 2 femoral , 2 brachials) and thus answers the correspondence of the legislative text of the agreement of Berlin of 1937 of which Great Britain is signatory.

Furthermore, a legal sample of the injected product was affixed to the ankle of the deceased on whom represent the number of the fluid as well as the coordinates of the manufacturer.

Done at ....., .....<sup>th, st</sup> 200....
